Scripture Reading Together: Matt. 22:23-33

Opening remarks...

1. We are thankful this morning for others' (the Sadducees) questions about the resurrection! How does Jesus correct their disbelief?
  
2. The Bible tells us about Jesus' resurrection and our resurrection. From these verses what are 3 essential/indisputable facts?
  - Jesus' Resurrection (Matthew 28:1-10)
  - Our Spiritual resurrection (Romans 7:4-6, 1 Peter 1:3)
  - Our Physical resurrection (Romans 8:23-25, 2 Peter 3:13)
  
3. In light of these, how should we live now? Does anything need to change in our day-to-day lives? Can we articulate Jesus' Resurrection, our present spiritual resurrection and our future Physical one to someone who asks?

Other helpful Scriptures: Gen 1:1 (God is Spirit), Gen 1:26-28 (we are created in His image), Isaiah 26:19 -Daniel 12:2 -Job 19:25-27 (OT speaks to a resurrection), John 5:19-29, Luke 16:19-31, Revelation 20:4-6 (NT speaks to the resurrection).

8:20pm Prayer (**close group session**) and get into breakout time (**guys and gals separate**)
