Scripture Reading Together: 1 Corinthians 4:1-14

1. What are the three different ways that we can be judged regarding our standing before God (verse 3)? Who is the only evaluation or judgment we should care about (verse 4)?

2. Why is our self-evaluation inadequate (verses 5 -7, & Jeremiah 17:9-10)?

3. What things do we do or have that we might be tempted to add to our résumé or evaluation that really work against the gospel (Rev 22:18-19, Deut. 4:2, Mark 7:13)?

4. The world tells us the Bible is all about guilt and shame. How is it actually the opposite (Psalm 34:4-5, 1 John 1:9, Romans 10:11)? How does the gospel make us the most free people in the world?
