Scripture Reading: 1 Corinthians 5; Matthew 18:15-17

Opening Remarks...

What is Church discipline? Why is it important we follow the instructions in Matthew 18:15-17?

What is the difference between struggling with sin and living in sin? See Romans 7:21-25.

Why is important that the church cleanses out the old leaven?

How does Paul say the church should respond to sin? How were they responding to it? How can we be in danger of doing the same?
