Scripture Reading Together: 1 Corinthians 8:1-6, & 10:14-22

1. What is an idol (1 Cor 8:4, Isaiah 44:14b-17, Roman 1:22-25)? Can we avoid being around idols or idol worshipers?
2. Why is it forbidden to have them? How can we positively keep from having them (Deut. 6:5)?
3. Behind the idol is a demon (1Cor 10:19-20), why does this mean we must be careful not to participate in any way that might implicate us (1Cor 10:14-18)?
4. What are some clear cut examples of idolatry and what are things that can slide in and out of that category depending on our heart? For example looking to a Ouija board to know the future (which God forbids) is always idolatry/demonic VERUS a Hobby or Sport. A Third category might be Yoga (is it just stretching/ breathing or is it spiritual?) AND certain Marital Arts like Tai Chi (is it just using kinetic energy or drawing on a 'life force'?) Anything else?

8:20pm Prayer (**close group session**) and get into breakout time (**guys and gals separate**)
