Scripture Reading Together: 1 Corinthians 10:1-3

1. What is the difference between temptation and sinning?

2. Are there any temptations that are too hard to escape sin and endure (Verse 13)?

3. There are two winning strategies for disarming the power of temptation (Verses 6 & 11). How do the four events (verses 7-10) help us apply 'Do not look back' and 'Do look back'?

(You can also glance at the events in Exodus 32, Numbers 25, Numbers 21, & Numbers 14 or all in one place, Psalm 106)

4. Sometimes it is easy to think we are doing well (verse 12), why should we be careful in those seasons?

5. The 'way of escape' is always there for the believer. What temptations do you need to apply this promise to? Are we willing to be disciplined like an athlete (9:24-27) in applying the promise? **(ASK THIS QUESTION IN THE BREAKOUT TIME)**
